

## **Mobiliti Overview**

Mobiliti enables anyone with an online banking account to access their account information from a mobile device. Mobiliti offers three ways to access your accounts:

- Send a text message using your mobile device.
- Use a mobile browser on your mobile device.
- Download an application to your mobile device.

You can choose any or all of these options, depending on the capabilities of your mobile device.

## **SMS Text Messaging Service**

Use the SMS text messaging service to:

- Check account balances.
- Review recent account activity.
- Find ATM and branch locations.

## **Requirements**

To use the SMS text messaging service, your mobile device must send and receive text messages to and from a short code. Most mobile devices are capable of sending and receiving text messages, so your phone is most likely compatible with Mobiliti. Please note that some mobile service carriers charge for outgoing text messages or for each message sent and received.

## **Mobile Browser Service**

Use the mobile browser service to:

- Check account balances.
- Review recent account activity.
- Transfer money between accounts.
- Pay bills.
- Change and cancel pending payments.
- Find ATM and branch locations.

## Requirements

To use the mobile browser service, your mobile device must have an Internet browser and may require a data service plan. You access the Mobiliti website using the link sent by SMS text message during the enrollment process. ## Downloadable Application

Use the downloadable application service to:

- Check account balances.
- Review recent account activity.
- Transfer money between accounts.
- Pay bills.
- Change and cancel pending payments.
- Find ATM and branch locations.

## Requirements

To use the Mobiliti downloadable application, your mobile device must have an operating system that supports application downloads and may require a data service plan. You download the Mobiliti application using the link sent by SMS text message during the enrollment process.
